Colors?

KISS Books come in seven ridiculously good-looking colors. Since ordering a KISS is so boringly simple, we thought we'd at least make the names of the colors exciting.

- Virgin White
- Sultry Blue
- Forbidden Green
- Smoldering Brown
- Passion Pink
- Voluptuous Black
- Redlight Red

KISS loves you long time. All KISS Books are warrantied for life. If there's a manufacturer's defect, we will repair or replace it at no cost. We have less than .05% return rate for any kind of defect!

Which one?

KISSes come in 2 flavors: either leather or linen covers. The Leather KISSes have a hard substrate between each page. The Linen KISSes are 2 prints glued back to back, making them thinner (and less expensive to produce).

The Leather KISS is substantially heavier and more resistant to damage (great for a wedding book!). The Linen KISS is lighter, with flexible pages (still photo-printed!), and makes for great portrait, senior, or sign-in albums.

Leather Baby!

Leather KISSes use only 100% full-grain, natural leathers selected for their grains, strength, and quality. Full-grain hides feel better and are more attractive than fake, bonded-leather covers.

When you first get your hands on a Leather KISS Book, you may find yourself brushing your cheek against the supple cover; this is perfectly normal. We do it all the time. In fact, every book we send out is cheek-tested before leaving our super-secret facility.

Leather

	10 Spreads	20 Spreads	30 Spreads
4x4	\$90.00	\$120.00	\$150.00

10x10	\$945.00	\$1,199.00	\$1,545.00
12x12	\$1,095.00	\$1,399.00	\$1,815.00

Linen

	10 Spreads	20 Spreads	30 Spreads
4x4	\$90.00	\$120.00	\$150.00
8x8	\$390.00	\$510.00	\$630.00
10x10	\$480.00	\$630.00	\$780.00
12x12	\$570.00	\$750.00	\$930.00

The simplicity of KISS Books:

- 4 sizes: 4x4, 8x8, 10x10, and 12x12.
- Fuji Crystal Archival paper.
- 15-day turnaround, 7-day rush.

Sealed with a KISS.

KISS Books are delivered in swank, sexy, cloth dust-covers —no cardboard boxes were good enough for a KISS.

Lay-flat binding, no cut.

We hate to see a beautiful photo cut down the middle, so we build all of our spreads with a micro-fold, not a cut. Our binding lays beautifully flat, so each spread can be presented in all of its glory. KISS paper won't discolor like many non-cut books do!
